This DodoPad is indodispensible; if found, please return to

HOW TO GET THE BEST FROM YOUR DODO-PAD

Special facilities have been made in the design of the **DODO-PAD** for this essential activity. The **DODO-PAD** encourages you to doodle creatively and thereby preserve the covers of telephone directories, the utility company's bill, other people's books, etc. Those normally inhibited from doodling while they telephone will find suggestive hints to quicken their imagination on every diary page. A blank, or nearly blank, space is also provided for this purpose on all facing pages.

FURTHER USES FOR THE DODO PAD

Finished sheets can be torn out and are especially suitable for making paper boats, darts, book-markers or tapers for lighting a barbeque. If folded into eight, a **DODO-PAD** page comes in handy for wedging up a rickety table or stuffing onto a shaky sash-window.

The most attractively doodled pages make a personal type of Christmas card.

INSECTICIDE

The **DODO-PAD** makes an ideal weapon for swatting flies. Held flat on the palm of the hand, it can also be used as a missile against wasps and mosquitoes on the ceiling.

The **DODO-PAD** is so designed that it may be carried in a shopping basket or kept chained to the telephone (for instructions on how to chain your **DODO-PAD** to the telephone see para. on opposite page).

A BURGLAR DISTRACTOR

“While he was giggling over my **DODO-PAD** I was able to get dressed and call the police” (name supplied).

DODO-PAD ALBUMS

If, at the end of a year, you wish to keep what amounts to a unique record of your, or your family’s conscious and unconscious experience, we supply leather-bound folders with gold embossed lettering. Prices from £1069.50.

CHRISTMAS AND BIRTHDAYS

Extra pages are provided at the end to facilitate the systematic giving, or receipt, of presents. And for playing...

THE DODO-PAD GAME

Time can be pleasantly spent, while waiting for a Call Centre to answer, by imagining yourself as some well-known personality and filling in his or her engagements. But bear in mind the laws of libel, if your **DODO-PAD** is liable to be seen by others outside the family circle.

HOW TO CHAIN YOUR DODO-PAD TO THE TELEPHONE

Any reputable ironmonger will supply you with a length of thin chain. A **DODO-PADLOCK** can be obtained from us. Price £799.99, including postage.

DODO-PADDLERS ARE ADVISED TO ORDER THEIR NEXT YEAR’S DODO-PAD WELL IN ADVANCE TO BE SURE OF SAFE DELIVERY

Week 3

1970 Birth of Shonda Rhimes, creator of 'Grey's Anatomy'

This window in the private chapel at Dodo Towers shows St David, usually depicted with his symbol, the dove. However Lord Dodo's researches lead him to believe that another, more unusual, bird should take its rightful place on the saint's shoulder. He also discovered that St David, busy with many saintly duties, relied on an early prototype of the DodoPad to keep him on the path of righteousness.

Some creatures great and small as misheard by Lord Dodo's children in church before they were old enough to read for themselves from Hymns Ancient and Modern, (which contains many of Mr Wesley's most popular creations)...

Week 26

Do you sometimes feel empty inside?
The Dodo Pad can always be relied
upon to help fill the gap.

Failed in his attempts to snap up an overseas property, (see March 21st and April 20th) Lord Dodo is contenting himself for the time being on remodelling some of the extensive gardens at Dodo Towers. While on a trip to Paris to visit his Gallic sales team, he took time out to visit Versailles, created by The Sun King, to whose grandiose vision his Lordship aspires. Here is a quick sketch he made of Versailles' intricate parterres, suitably adapted for his own country seat...
